Many have complained about the previous SGA open-forum, For the Students by the Students (FTSBTS), and that it did not execute efficient results. We are looking to change this open forum to a more structured problem-solving event between students and Pace administration. Amanda and Jonathan will be the direct contacts on the restructure of this event. Whoever is interested in helping with this transformation, reach out to either Amanda (am31815n@pace.edu) or Jonathan (jd59447n@pace.edu). We will meet on Tuesday 6:00-9:00pm in the SGA office to discuss the changes. **The new FTSBTS dates are: November 18th at 6:00-8:00pm and November 19th at 12:10-1:10pm.**
