iii. **Open House Update**

Thank you to the Senate Members that represented SGA at the Open House! In the future, SDACA will give the dates for each Open House and a larger amount of SGA members **will be required to attend and volunteer**.

iv. **FTSBTS – date/structure change**

There will be changes in this semesters FTSBTS. In the past, there were no solutions when each conflict arose from a student directly to a Pace department. SGA will now be combining the third org council and the second session of FTSBTS. FTSBTS will now have a “problem solving hour.” Surveys were also created in order to increase the amount of student concerns (see **Brianna Update**)

First session: Tuesday, November 18th, 6-8:00 PM, Student Union

Second session: Wednesday, November 19th 12:10-1:10pm, Lecture Hall North
